

Crosby Township Policy for the Burial or Cremation of Unclaimed or Indigent Bodies at the Expense of the Township

Resolution enacted _____.

Crosby Township will pay for cremation of any unclaimed or indigent person, who at the time of death was a legal resident of Crosby Township, in accordance with the Ohio Revised Code Section 9.15 (See page 2).

Pursuant to the Ohio Revised Code Section 517.06 and Section 9.15 (See page 2), Crosby Township shall provide a grave, a grave marker, and the opening and closing for burial of the cremation remains of any unclaimed or indigent person who was at the time of death a legal resident of Crosby Township. The Township shall not pay for any other costs associated with embalming, funeral, transportation, services of any kind, visitation charges, etc.

The Ohio Revised Code Section 1713.34 and 9.15 indicate that the Township Board of Trustees may deliver the body to a college or the Board of Embalmers and Funeral Directors in lieu of burial or cremation. The Crosby Township Trustees reserve the right to donate a deceased person's body for this purpose.

If an indigent is a veteran, Crosby Township may contact family or friends and assist them in applying to the county for an appropriate burial or cremation in accordance with Revised Code Sections 5901.25 to 5901.32.

The Township requires a completed, notarized, application by the deceased's representative and a funeral home representative.

The Township may seek bids for the cost of cremation from more than one funeral home.

The Township may select the funeral home that will provide the cremation service.
